THE PAMUN POST

PRINCE ALBERT MUNICIPALITY
Leeu Gamka - Prince Albert - Klaarstroom

SEP/OCT 2026

Van links: Julian (SA Breweries), Dr Mogale Sebopetsa (HoD), Speaker Margie Jaftha, Eve Haas (Bubbels & Krabbels Crèche), Minister Ivan Meyer, Uitvoerende Burgemeester Linda Jaquet, en Munisipale Bestuurder Thys Giliomee

WÊRELDVOEDSELDAG

laat ’n blywende nalatenskap in ons gemeenskappe

Prins Albert het op 9 Oktober 2026 die Wes-Kaapse viering van Wêreldvoedseldag aangebied. Hoewel die geleentheid gemeenskappe rondom voedselsekerheid en plaaslike produksie bymekaargebring het, lê die grootste waarde daarvan in die praktiese ondersteuning en nuwe geleenthede wat dit vir inwoners van Prins Albert, Leeu-Gamka en Klaarstroom geskep het.

Deur samewerking tussen die Wes-Kaapse Departement van Landbou, Casidra, Prins Albert Munisipaliteit en ander vennote is huishoudings met produksie-insette, toerusting, opleiding en hulpbronne ondersteun. In Prins Albert het 62 huishoudings ondersteuning ontvang vir 57 groentetuine en vyf hoenderproduksieprojekte. In Leeu-Gamka is 24 huishoudings met groentetuine ondersteun, terwyl 10 groentetuine en 10 varkproduksieprojekte in Klaarstroom gevestig is. Hierdie projekte help huishoudings om voedsel vir eie gebruik te produseer, praktiese vaardighede te ontwikkel en, waar moontlik, ’n aanvullende inkomste te verdien. *Volg op bladsy 2...*

WÊRELDVOEDSELDAG

Die voordele het verder gestrek as voedselproduksie alleen. Vyf-en-twintig huishoudings in Prins Albert het watertenks ontvang om reënwater op te vang en die gebruik van munisipale water vir besproeiing te verminder. ’n Verdere 500 vrugtebome is deur die “Plant One Tree, Eat for Free”-inisiatief beskikbaar gestel, terwyl bome ook by Zwartberg Hoërskool, Prins Albert Vaardigheidskool en Prins Albert Kliniek geplant is.

Die jaarlikse *Food Mountain*-inisiatief het verseker dat die viering ook onmiddellike hulp aan kwesbare inwoners bring. Voedsel is aan Babbel and Krabbel Crèche (Leeu-Gamka), Mickey Mouse Crèche (Klaarstroom), Huis Kweekvallei (Prins Albert), Prins Albert Sentrum vir Bejaardes (Prins Albert) en Sonneblom Kiddie Collage (Prins Albert) oorhandig vir verdere verspreiding en ondersteuning.

Wêreldvoedseldag het gewys wat bereik kan word wanneer die regering, die Munisipaliteit, ontwikkelingsvennote, skole en gemeenskappe saamwerk. Die tuine, landbouprojekte, watertenks, vrugtebome, opleiding en voedselhulp is meer as afsonderlike bydraes – saam help dit om huishoudings te bemagtig, plaaslike produksie te bevorder en sterker, meer selfstandige gemeenskappe te bou.

Kosberg vir skenking aan die vyf niewinsgewende organisasies

Minister Ivan Meyer

Gemeenskapslede

Message from the MAYOR

Geagte inwoners / Dear residents,

Dit is my laaste boodskap van hierdie raadstermyn en ek skryf dit met ’n dankbare hart.

When I took office as Executive Mayor in October 2022, I said we would work hard, deliver services to all, be honest about what is difficult and look after public money as if it were our own. Four years later, despite setbacks, I believe we have kept faith with those commitments.

Together we have achieved a lot. Prince Albert Municipality was ranked eighth out of 257 municipalities in the country for financial sustainability. This year, Council adopted a Long-Term Financial Plan to keep it that way. Klaarstroom no longer has a single gravel road. The water and sanitation network in Leeu-Gamka is being upgraded. The Klaarstroom Water Treatment Works is nearing completion, with a laboratory to test drinking water for all three towns. In Prince Albert, the Family Park, the Odendaal sports ground, new paving and resurfacing, and the Thusong Centre offices are visible signs of progress. Safety cameras, key appointments in our traffic and fire departments, the Local Drug and Alcohol Action Committee, and cooperation with the SAPS are helping to make our streets safer. We are also working with CapeNature to secure Robert Gordon Koppie as a nature reserve, protecting its natural beauty and heritage for generations to come.

Behind every one of these achievements is a strong team. Council has made sound appointments to key positions**,** and the difference that capable, committed people make to service delivery cannot be overstated. Residents feel it every day: complaints and call-outs for sewage blockages, burst pipes and broken streetlights are now attended to more quickly than before.

Ons het ook ons rol om ekonomiese ontwikkeling aan te moedig ernstig opgeneem. Ons het ’n nuwe plaaslike ekonomiese ontwikkelingstrategie en ’n beleggingsaansporingsbeleid aanvaar, besigheids- en erfenisoorlegsones goedgekeur, verouderde verordeninge hersien en stel tans vakante munisipale grond in al drie dorpe vir ontwikkeling beskikbaar. ’n Munisipaliteit kan nie self werk skep nie, maar kan dit makliker maak vir diegene wat wel werk skep.

These years have also tested us: hot, dry summers, severe floods and two lengthy power outages. Our Municipality and our communities responded. I will always remember the resilience and care that form the strength of our three towns.

Nie alles is reggestel nie. Die sluiting van Meiringspoort eis steeds ’n swaar tol, en verouderde water- en elektrisiteitsinfrastruktuur verg voortdurende belegging. Een ding bly my diep ontstel: onwettige storting. Dit is ’n oogseer en ’n gesondheidsgevaar en dit ondermyn alles wat ons saam bou. Ek doen ’n beroep op elke inwoner om dit aan te meld en te weier om deel daarvan te wees.

Niks hiervan is deur een persoon gedoen nie. Ek bedank my mederaadslede, die munisipale bestuurder en die administrasie, en elke personeellid wat sorg dat die water loop, die ligte brand en die strate skoon is, dikwels onder moeilike omstandighede en sonder dat iemand dankie sê. Bowenal bedank ek u, die inwoners van Prins Albert, Leeu-Gamka, Klaarstroom, en omliggende areas, vir u geduld, u eerlikheid en u bereidwilligheid om saam met ons te werk.

Stem asseblief op 4 November. Plaaslike regering is die regering naaste aan u. U stem tel.
Dit was ’n voorreg om u te dien. Ons drie dorpe verdien om te floreer, nie net te oorleef nie. Dit is iets wat ons saam bou.

Vriendelike groete,
Burgemeester Linda Jaquet

Message from the MM

As we approach the local government elections on 4 November 2026, I encourage every registered voter to participate and make their voice heard.

Local government decisions affect our daily lives - from water, electricity and refuse removal to roads, community facilities and local development. Voting gives each person an opportunity to help determine who will represent their community and guide these important decisions over the next term. Every vote matters, and I encourage residents to make an informed choice and take part in this important democratic process.

I would also like to thank all municipal employees for their hard work and commitment during the past few months. It has been a demanding period, and our teams have continued to serve the community under challenging circumstances.

A special word of appreciation goes to our technical teams, who have worked hard, day and night, to restore services, address emergencies and ensure that residents across the municipal area are taken care of. Your dedication, often under difficult conditions and away from your families, does not go unnoticed.

Thank you also to our residents for their patience, understanding and cooperation. By participating in our democracy and continuing to work together, we can help build a stronger municipality and a better future for all our communities.

Municipal Manager,
Adv. Thys Giliomee

Jeugsokker skep nuwe geleenthede vir plaaslike kinders

Die Prins Albert Gemeenskapspolisiëringsforum dryf ’n nuwe Jeugsokkerliga, met Sarah Bowes as een van die belangrike dryfkragte agter die inisiatief. Die program bied aan plaaslike kinders tussen agt en elf jaar die geleentheid om aktief te wees, hul sokkervaardighede te ontwikkel en deur sport meer oor spanwerk, respek en dissipline te leer.

Die opedag op 8 Oktober 2026 het ongeveer 80 entoesiastiese kinders na die Zwartberg-sportveld gelok. Die groot belangstelling wys hoe noodsaaklik veilige en positiewe geleenthede vir ons jongmense is.

Die inisiatief word deur waardevolle gemeenskapsondersteuning moontlik gemaak. Adv. Thys Giliomee en die Gemeenskapspolisiëringsforum het balle, oefenhesies en ander toerusting geborg. PACT, Prins Albert Munisipaliteit, SPAR en Net World Sports het ook tot die opedag bygedra. Zwartberg Hoërskool en die Prins Albert Vaardigheidskool ondersteun die wedstryde met doelpale en praktiese hulp, terwyl Wes-Kaapse Nooddienste op wedstryddae as noodhulpspan bystaan.

Prins Albert Munisipaliteit beskou dit as ’n uitstekende gemeenskapsinisiatief. Baie dankie aan Sarah, die afrigters, borge, vennote en elke persoon wat saamwerk om vir plaaslike kinders ’n plek te gee waar hulle kan speel, groei en droom.

Community Support Shines After Severe Weather

On the night of 3 September, strong winds caused extensive damage across Prince Albert. Roofs were damaged, trees and branches fell onto roads and power lines, and electricity poles in Church Street were blown over. Parts of Suid-End and other areas remained without power while conditions were too dangerous for repair teams to work safely.

Once the wind subsided, municipal technical and safety teams worked throughout the weekend to restore electricity. Prince Albert Municipality thanks Joseph Steyn for lending essential equipment, the Central Karoo District Municipality for providing a generator, Eskom for repairing damaged lines, and the Municipal Manager for assisting with the recovery efforts.

Above all, we thank the community for its patience, understanding and cooperation during these difficult circumstances. By remaining vigilant, following safety instructions and allowing teams to work safely, residents played an important part in the recovery process.

Municipal Manager, Thys Giliomee

Community member Joseph Steyn assisting the municipal team

Leeu-Gamka Vrouedag

Vroue van Leeu-Gamka het saamgekom vir ’n besondere Vrouedagviering onder die tema Seergekry. Vyftien vroue uit verskillende dele van die gemeenskap, asook twaalf vroulike munisipale personeellede, het die geleentheid bygewoon. Biblioteekassistent Gertruida Romp het die gaste verwelkom.

Die geleentheid het ’n veilige en ondersteunende ruimte geskep waar vroue saam kon kuier en oor seerkry, herstel en ondersteuning kon gesels. Hartlike dank aan raadslede Maans, McKay, Baadjies en Constabel, asook Karoo Deli, Liana, Louis van der Bank en R. Sarels vir hul skenkings en ondersteuning wat tot die sukses van die dag bygedra het.

Celebrating local heritage

As part of the PACT #us4us Festival and the Heritage Day celebrations, the Living Icons exhibition was held at the Fransie Pienaar Museum on 25 September 2026. The exhibition featured portraits by PACT youth photographer Selwyn Maans, honouring local women whose lives, stories and contributions form an important part of our community’s living heritage. The event celebrated the people who have helped shape Prince Albert while creating a platform for local creativity and young talent.

Personal Development through Continuous Training

Selwyn Amsterdam

Congratulations to Our Water and Wastewater Graduates!

We proudly congratulate **Selwyn Amsterdam, Bradley Meintjies and Vandross Constable**, who received their **National Certificate: Water and Wastewater Process Treatment Control Supervision (NQF Level 4)** in George on 15 October 2026.

This achievement reflects their dedication, perseverance and commitment to developing their professional knowledge and skills within the water and wastewater sector. It is a proud moment for Prince Albert Municipality and highlights the important role of continuous learning in strengthening service delivery.

May this qualification support their continued professional growth and empower them to make an even greater contribution to the Municipality and the communities it serves.

Congratulations, Selwyn, Bradley and Vandross. We celebrate your achievement and wish you continued success in your careers.

Personal Development through Continuous Training

Nicole Wicomb

Congratulations to Our Local Economic Development Graduates!

Prince Albert Municipality proudly congratulates **Nicole Wicomb, Theresa Hendriks-Wagenaar and Geneva Botes** on obtaining their **National Certificate: Local Economic Development (NQF Level 4).**

Nicole and Theresa received their certificates during a ceremony held in George on 15 October 2026. Although Geneva was unable to attend the ceremony, her achievement is equally recognised and celebrated.

Their success reflects dedication, perseverance and a strong commitment to personal and professional development. This qualification will strengthen their ability to contribute meaningfully to local economic development and the communities served by the Municipality.

Congratulations, Nicole, Theresa and Geneva, on this well-deserved achievement. We wish you continued growth and success in your careers.

Nicole Wicomb

Theresa Hendriks-Wagenaar

Prince Albert Municipality Concludes Final Round of IDP Feedback Meetings

Prince Albert Municipality Concludes Final Round of IDP Feedback Meetings

Prince Albert Municipality recently concluded its final round of Integrated Development Plan (IDP) feedback meetings for the 2022–2027 Fifth Generation IDP. The meetings were held in **Leeu-Gamka, Klaarstroom, Prince Albert and Prince Albert Road**, providing communities with an opportunity to engage with the municipality on development priorities, planning processes and future service delivery.

During the presentations, the municipality explained that this was the final round of feedback meetings focusing on the top 10 priorities previously identified by the community. Residents were also given an overview of what the IDP entails, its role in municipal planning and the various instruments that guide the municipality's development priorities.

The discussions further covered how municipal projects are funded, the typical stages involved in project implementation, and the potential risks and challenges that may affect the successful delivery of projects. These engagements aimed to strengthen public understanding of municipal planning processes and promote meaningful community participation.

An important aspect of the presentations was the explanation of the approved time schedule, outlining the key deadlines and milestones that will guide the preparation of the **Sixth Generation IDP for the 2027–2032** period. The municipality explained that the process plan, which sets out the activities and timelines for developing the new IDP, is scheduled to be tabled before Council in January 2027. This will be followed by community participation in February 2027, when residents will be invited to share their needs, priorities and development proposals to inform the municipality's future planning.

Another key item on the agenda was the review of the **Municipal Spatial Development Framework (MSDF)** process, which the municipality will be undertaking. Communities were encouraged to provide input on the developmental needs of their respective towns to help shape future spatial planning and guide sustainable development across the municipal area.

In addition, the meetings included an awareness component on housing ownership, with particular attention given to employer-provided homes occupied by former farm workers. This formed part of the municipality's efforts to raise awareness and promote a better understanding of housing ownership matters within the affected communities.

Through these engagements, Prince Albert Municipality continues to encourage active community participation in local governance and development planning. Residents' contributions remain essential in identifying local needs, shaping future priorities and supporting the development of responsive and sustainable plans for the municipal area.

FASD-bewustheidsdag beklemtoon ’n gesonde begin

Internasionale FASD-bewustheidsdag word jaarliks op 9 September herdenk om bewustheid oor die voorkoming van fetale alkoholspektrumversteuring te bevorder. Die Plaaslike Dwelm- en Alkoholaksiekomitee (LDAC) het vanjaar se geleentheid gebruik om die belangrike boodskap te deel dat ’n gesonde begin reeds tydens swangerskap begin.

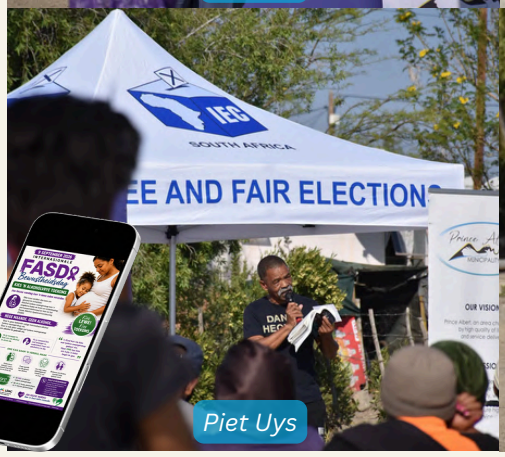

Alkohol- en dwelmgebruik tydens swangerskap kan ernstige en lewenslange gevolge vir ’n ongebore baba se ontwikkeling inhou. Verwagtende moeders word aangemoedig om geen alkohol of dwelms tydens swangerskap te gebruik nie en ondersteuning te vra indien hulle hulp benodig.

Die Munisipaliteit bedank die sprekers wat hul kennis en ervaring gedeel het, asook almal wat aan hierdie belangrike gesprek deelgeneem het. Deur bewusmaking, ondersteuning en verantwoordelike keuses kan ons saam help om elke kind die beste moontlike begin te gee: nege maande, geen alkohol, geen dwelms.

Kies lewe. Kies die toekoms.

Testamenteweek bring justisiedienste nader aan inwoners

Gedurende Nasionale Testamentweek, van 15 tot 17 September 2026, het GCIS Sentraal Karoo en die Departement van Justisie en Grondwetlike Ontwikkeling noodsaaklike regs- en regeringsdienste nader aan gemeenskappe in die Sentraal-Karoo gebring. Die uitreikprogram het inwoners gehelp met navrae oor boedels, uitstaande boedelsake en die opstel van geldige testamente.

In die Prins Albert munisipale gebied het munisipale behuisingsbeamptes ook inwoners bygestaan met behuisingskwessies wat oor verskeie geslagte strek, titelaktes en eiendomme wat steeds in die name van afgestorwe familielede geregistreer is. Sulke onopgeloste sake kan families hinder om eienaarskap wettig oor te dra of hul reg op ’n woning te verseker.

Regshulp Suid-Afrika, die Wes-Kaapse Kantoor van die Meester van die Hooggeregshof, GCIS Sentraal Karoo en die Onafhanklike Verkiesingskommissie het inwoners van inligting en ondersteuning voorsien. Deur hierdie dienste na plaaslike gemeenskappe te neem, kon inwoners antwoorde kry, langdurige probleme begin aanspreek en belangrike stappe doen om hul families se toekoms te beskerm.

Collaboration Strengthens Road Safety

Alderman JP Smith (City of Cape Town)

Prince Albert Municipality's Senior Superintendent, Mr Nero, represented the Municipality at the IMPS-WC Conference held in Arniston from 15 to 17 September 2026. The conference brought together representatives from local, provincial and national government, as well as law-enforcement and safety structures from across the Western Cape.

Discussions focused on road safety, crime prevention, traffic management and community safety. Particular attention was given to stronger cooperation between the different spheres of government and the practical implications that future developments, including the Administrative Adjudication of Road Traffic Offences (AARTO), may hold for municipalities.

Various presenters

Various presenters

Lente Welstand Stap
bevorder personeelgesondheid

Prins Albert Munisipaliteit se personeel het gedurende September aan 'n Lentewelstandstap deelgeneem. Die geleentheid het werknemers aangemoedig om aktief te wees, tyd saam deur te bring en opnuut aandag aan hul fisiese en geestelike welstand te gee. 'n Gesonde en ondersteunende werksomgewing dra by tot gemotiveerde personeel wat beter na hulself, hul kollegas en die gemeenskap kan omsien.

Welstand begin dikwels by klein, volhoubare keuses: beweeg gereeld, neem tyd om te rus, ondersteun mekaar en vra hulp wanneer dit nodig is. Die Munisipaliteit moedig ook inwoners van Prins Albert, Leeu-Gamka, Klaarstroom en omliggende areas aan om aktief te bly en na hul algemene gesondheid om te sien.

Leadership Development for
Stronger Municipal Teams

Prince Albert Municipality was represented at a two-day Mentoring and Coaching Training Programme for municipal senior managers from the Garden Route and Central Karoo districts on 1 and 2 October 2026. The programme was presented by the Western Cape Government Department of Local Government in partnership with the Hanns Seidel Foundation and Stellenbosch University's School of Public Leadership.

Through presentations, practical exercises and facilitated discussions, participants explored different approaches to mentoring and coaching. The training provided senior managers with practical tools to strengthen their leadership, support their teams and improve organisational performance within their respective municipalities. It also created an opportunity for municipal leaders to exchange experiences and learn from one another.

The programme contributes to ongoing efforts to strengthen municipal capacity, as provided for in Section 154 of the Constitution. Prince Albert Municipality welcomes opportunities that promote continuous learning, capable leadership, stronger teams and improved service delivery to communities.

Promoting Road Safety from a Young Age

Prince Albert Municipality joined the Western Cape Department of Mobility for a Junior Traffic Training Centre road safety awareness initiative on 25 September 2026. The programme focused on promoting a better understanding of road safety among children and encouraging responsible behaviour from an early age.

Children are among the most vulnerable road users. Teaching them how to cross roads safely, recognise traffic signs and remain alert near vehicles helps them develop habits that can protect them throughout their lives. Road safety education also encourages children to share what they have learnt with their families and communities.

Prince Albert Municipality thanks the Department of Mobility for its collaboration and continued commitment to road safety education. Traffic-related concerns may be reported to the Traffic Department on 023 541 1648, while after-hours emergencies can be reported on 082 220 0848.

Public Service Appreciation Day Honours Correctional Services Officials

Officials from the Prince Albert Correctional Services Centre were recognised during a **Public Service Appreciation Day** held at the Family Park on 5 October 2026. Executive Mayor Linda Jaquet thanked them for their continued dedication and contribution to the community, including the Correctional Services vegetable garden and community work undertaken by parolees over weekends.

The Mayor emphasised that safer communities and successful reintegration require cooperation between Correctional Services, the police, parole officers, churches, schools, families and the Municipality, as well as meaningful support and employment opportunities.

Prince Albert Municipality thanks Monique Warden of GCIS, Mark Anthony and the Department of Health and Wellness for making the event possible, as well as Mr Yasmyn Delport and his colleagues for their dedicated service. Congratulations to every official who received a certificate in recognition of their contribution.

Toerismegroei in die digitale era

Die tema vir Toerismemaand 2026 was *Growing South Africa's Tourism Sector in a Digital Era*.

In aansluiting hierby het Prins Albert Munisipaliteit toerismebesighede in Prins Albert, Leeu-Gamka en Klaarstroom aangemoedig om hul digitale teenwoordigheid te versterk.

Besighede behoort gereeld hul kontakbesonderhede, openingstye, ligging, foto's en besprekingskakels op Google, sosialemediaplatforms en hul webwerwe na te gaan. Korrekte en bygewerkte inligting help besoekers om plaaslike ondernemings makliker te vind, te kontak en te ondersteun.

www.pamun.gov.za | 023 541 1036 | 23 Church Street, Prince Albert | rekords@pamun.gov.za

Community Vigilance Supports Traffic Enforcement on Swartberg Pass

Prince Albert Municipality has thanked members of the community for remaining vigilant and reporting heavy vehicles using the Swartberg Pass. In a recent incident, local road users alerted the authorities after an interlink truck entered the pass from the Oudtshoorn side.

Once the truck entered the Prince Albert municipal area, municipal Traffic officials were able to stop the vehicle. The driver was issued with a fine of R9 000, and the truck was instructed to turn around. The incident demonstrates the important role residents and road users play in helping the authorities identify contraventions and respond promptly.

Heavy vehicles and vehicles longer than seven metres are not permitted on the Swartberg Pass. The Municipality is also developing a dedicated Swartberg Pass By-law to strengthen the regulation, management and enforcement of activities on the pass. The Municipal Council approved the draft By-law for public participation on 30 September 2026. It aims to provide a clearer regulatory framework for vehicle use and the protection of the pass's heritage, biodiversity and water resources. Members of the public may submit written comments on the draft By-law until 13 November 2026.

The Municipality appeals to transport operators and drivers to observe the restrictions and plan suitable alternative routes. It also extends its appreciation to the community members whose vigilance and cooperation assisted officials in addressing the incident.

Celebrating Years of Service

From left: CFO Bjorn Metembo, Speaker Margie Jaftha, Executive Mayor Linda Jaquet, Christa Wilskut, Director Zolile Nongene, and Councillor Elsabe Maans

Ms Christa Wilskut from the **Finance Department** celebrated **25 years of service**.

Warmest congratulations to Christa Wilskut on reaching 25 years of service. Thank you for your dedication, commitment and valuable contribution to the Municipality and the communities of Prince Albert, Leeu-Gamka, Klaarstroom and surrounding areas. Your many years of service are sincerely appreciated.

Integrated Operation Strengthens Compliance in Prince Albert

Prince Albert Municipality's Traffic and Law Enforcement services recently joined Prince Albert SAPS and Immigration officials from the Department of Home Affairs for an integrated law enforcement operation in Prince Albert. The operation formed part of ongoing efforts to improve cooperation between the relevant authorities, strengthen enforcement and promote compliance with national legislation and municipal requirements.

Officials conducted inspections at house shops and other business establishments, focusing on the required licences and permits, immigration documentation and the condition of goods offered for sale. Expired, unsafe or non-compliant products were identified where applicable, while other concerns were referred to the appropriate authorities for further investigation or action. Immigration-related matters were referred to Home Affairs officials for verification and the necessary follow-up.

Integrated operations enable each participating authority to act within its own mandate while addressing shared areas of concern in a coordinated manner. Prince Albert Municipality thanks all the participating departments and businesses that cooperated during the operation. The Municipality remains committed to working with its partners to promote safer, lawful and compliant communities throughout the municipal area.

Toerismemaand

Leeu-Gamka

Leerders ontdek plaaslike landbou tydens Toerismemaand

As deel van Toerismemaand het 30 leerders en een onderwyser van **Leeu-Gamka Primêr** op **17 September 2026** 'n opvoedkundige besoek aan die **Olyfplaas** op Rietfontein naby Leeu-Gamka gebring. Die leerders het deur die fabriek getoer, meer oor die laboratoriumprosesse geleer, die olyfbome besoek en ook olyfolie geproe.

Die uitstappie het aan die leerders gewys hoe landbou, plaaslike produksie, die ekonomie en toerisme met mekaar verbind is. Sulke geleenthede stel jongmense bekend aan die werk en loopbaanmoontlikhede wat binne hul eie munisipale gebied beskikbaar is.

Prins Albert Munisipaliteit bedank **Brown Badger** vir die hartlike ontvangs, die deel van hul kennis en die verskaffing van kos en verversings. Dankie ook aan die Wes-Kaapse Regering se Gemeenskapsontwikkelingswerkersprogram en Prins Albert Primêr vir hul ondersteuning om die uitstappie moontlik te maak. Baie geluk aan die plaas en **Terrain African Agri Investment** met hul prestasies en toekennings gedurende die jaar.

Natuur en toerisme bied nuwe leergeleenthede

Leerders van die **Prins Albert Vaardigheidskool** het op **27 Oktober 2026** 'n opvoedkundige uitstappie na **Bushman's Valley** onderneem. Die uitstappie het aan leerders die geleentheid gebied om meer oor hul plaaslike natuurlike omgewing en moontlike loopbane in die toerismebedryf te leer.

Dr. Sue Milton-Dean het die leerders tydens 'n natuurstap aan die plantegroei en besondere kenmerke van die omgewing bekendgestel. Dr. Christelle van Zyl het ook 'n praktiese toerismegesprek aangebied oor vaardighede wat leerders reeds tuis en by die skool kan ontwikkel om hulle vir toekomstige werksgeleenthede in die plaaslike toerismebedryf voor te berei.

Uitvoerende Burgemeester Linda Jaquet en Munisipale Bestuurder Thys Giliomee het ook by die groep aangesluit. Die dag is moontlik gemaak deur adv. Thys Giliomee se borgskap en dr. Sue Milton-Dean se waardevolle tyd en kundigheid.

Prins Albert Munisipaliteit bedank Bushman's Valley vir die ontvangs van die leerders en die plaaslike Verkeersdepartement wat hulle veilig op hul fietse na en van die terrein begelei het. Die uitstappie het gewys hoeveel waarde plaaslike natuur- en toerismehulpbronne as praktiese leeromgewings vir jongmense kan bied.

Tourism Month

DID YOU KNOW? HET U GEWEET?

KLAARSTROOM

Have you visited Klaarstroom yet?

Klaarstroom means "clear stream" in Afrikaans – a name linked to the clear water flowing from the Swartberg Mountains.

Situated at the northern entrance to Meiringspoort, this peaceful village welcomes visitors with its mountain setting, historic character and warm Karoo hospitality.

Het u al Klaarstroom besoek?

Klaarstroom se naam verwys na die helder water wat uit die Swartberge vloei.

Dié rustige dorpie, geleë by die noordelike ingang van Meiringspoort, verwelkom besoekers met sy berglandskap, geskiedkundige karakter en hartlike Karoo-gasvryheid.

#DiscoverOurKaroo #TourismMonth2026

#OntdekOnsKaroo #ToerismeMaand2026

www.pamun.gov.za

DID YOU KNOW? HET U GEWEET?

LEEU-GAMKA

What is your favourite memory of Leeu-Gamka?

Leeu-Gamka is situated where the Leeu and Gamka rivers meet. "Leeu" is the Afrikaans word for lion, while "Gamka" means lion in ǂXam – giving this distinctive Karoo town a name that means "lion" twice.

Wat is u gunsteling herinnering aan Leeu-Gamka?

Leeu-Gamka is geleë waar die Leeu- en Gamkarivier bymekaarkom. "Leeu" is die Afrikaanse woord, terwyl "Gamka" in ǂXam ook leeu beteken. Dié besondere Karoodorp se naam beteken dus twee keer "leeu".

DID YOU KNOW? HET U GEWEET?

PRINCE ALBERT

Vandag vertel die dorp se geskiedkundige strate steeds die verhaal van geslagte wat Prins Albert help vorm het.

Prince Albert developed on the farm Queekvalleij, later known as Kweekvallei, which was established in 1762.

In 1845, the growing village was officially named Prince Albert in honour of Queen Victoria's husband, Prince Albert of Saxe-Coburg and Gotha.

Vandag vertel die dorp se geskiedkundige strate steeds die verhaal van geslagte wat Prins Albert help vorm het.

Prins Albert het ontwikkel op die plaas Queekvalleij, later bekend as Kweekvallei, wat in 1762 gevestig is.

In 1845 is die groeiende dorpie amptelik Prins Albert genoem, ter ere van Koningin Victoria se eggenoot, Prins Albert van Sakse-Koburg en Gotha.

KLAARSTROOM

WOOL-WASHING HISTORY • WOL-WAS GESKIEDENIS

Which Klaarstroom building catches your eye?

During the 19th century, farmers travelling through the area towards Mossel Bay used Klaarstroom's clear mountain water to wash their wool. A wool-washing facility was later established in the village.

Klaarstroom remains known for its well-preserved Victorian character, historic buildings and peaceful village atmosphere.

Watter gebou in Klaarstroom trek u aandag?

Gedurende die 19de eeu het boere wat deur die gebied na Mosselbaai gereis het, Klaarstroom se helder bergwater gebruik om hul wol te was. 'n Wolwassery is later in die dorpie gevestig.

Klaarstroom is steeds bekend vir sy goed bewaarde Victoriaanse karakter, geskiedkundige gebou en rustige dorpsatmosfeer.

LEEU-GAMKA

RAILWAY ORIGINS • SPOORWEGOORSPRONG

What is your favourite memory of Leeu-Gamka?

Leeu-Gamka's story as a town began when a railway station was established near the meeting point of the Leeu and Gamka rivers in 1879.

The station was originally known as Fraserburg Road and became an important stop on the Cape Government Railways' route towards Kimberley. The town and station were renamed Leeu-Gamka in 1950.

Wat is u gunsteling herinnering aan Leeu-Gamka?

Leeu-Gamka se verhaal as dorp het begin toe 'n spoorwegstasie in 1879 naby die samevloeiing van die Leeu- en Gamkarivier gevestig is.

Die stasie was oorspronklik as Fraserburg Road bekend en het 'n belangrike stop op die Kaapse Regeringspoorweë se roete na Kimberley geword. Die dorp en stasie is in 1950 na Leeu-Gamka hernoem.

SWARTBERG PASS

Please remember to check the official road status before travelling.

The Swartberg Pass was constructed under the direction of renowned road engineer Thomas Bain and officially opened in 1888.

Its remarkable dry-stone retaining walls were carefully built by hand without cement or mortar. More than a century later, these historic walls remain one of the pass's most impressive features.

Onthou asseblief om die amptelike padstatus na te gaan voordat u reis.

Die Swartbergpas is onder leiding van die bekende padingenieur Thomas Bain gebou en is in 1888 amptelik geopen.

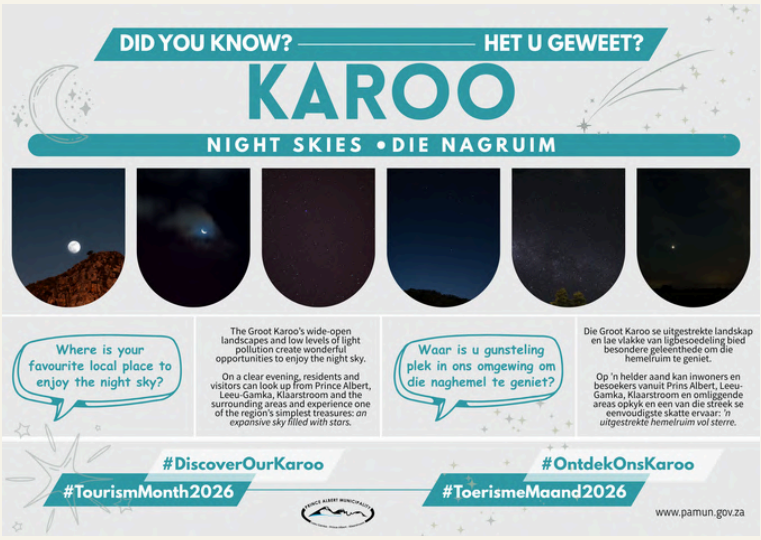

Die merkwaardige droëklip-keermure is sorgvuldig met die hand, sonder sement of messelmortel, gebou. Meer as 'n eeu later is dié geskiedkundige mure steeds een van die pas se indrukwekkendste kenmerke.

ONS DORPE, ONS VERANTWOORDELIKHEID

KERSTYD STAAN VOOR DIE DEUR: HELP ONS OM ONS DORPE SKOON TE HOU

Deur: D. M. R. Sarelse

Met die naderende feestyd en verwagte toestroom van besoekers doen die **Tegniese Dienste-afdeling** 'n beroep op inwoners, ondernemings en besoekers om ons dorpe skoon, veilig en aantreklik te hou. Meer afval word gewoonlik gedurende hierdie tydperk gegenereer, wat groter druk op die munisipale afvalbestuurstelsel plaas.

Onwettige storting besoedel die omgewing, hou gesondheids- en veiligheidsrisiko's in en benadeel die beeld van ons dorpe. Die storting van karkasse in oop gebiede is streng verbode. Huishoudelike en besigheidsafval mag ook nie by oorlaaistasies, vullishokke, straatdromme, langs paaie, op oop erwe of in openbare ruimtes gestort word nie.

Gebruik asseblief die munisipale afvalverwyderingsdiens, neem afval na die aangewese stortingsterrein en kom die afvalinsamelingskedules na. Bykomende afvalverwydering moet vooraf met die munisipaliteit gereël word. Wanneer 'n troeteldier te sterwe kom, kan die dier op die eienaar se erf begrawe of na die stortingsterrein geneem word, waar 'n beampte die aangewese area sal aandui.

Meld onwettige storting onmiddellik aan. Kom ons verwelkom inwoners en besoekers hierdie feestyd met skoon strate en openbare ruimtes waarop ons almal trots kan wees.

SAAM HOU ONS DORPE SKOON!

Moenie stort nie. Meld dit aan. Help ons om ons dorpe mooi te hou.

Tegniesgesproke

VOORTSLEPENDE VANDALISME STEL PADGEBRUIKERS IN GEVAAR

Deur: D. M. R. Sarelse

Prins Albert Munisipaliteit ervaar toenemende vandalisme van munisipale infrastruktuur. Tydens ’n roetine-inspeksie is ontdek dat die **moere en boute waarmee veiligheidsrelings langs ’n padgedeelte vasgemaak is, doelbewus losgedraai is**. Dit het die relings onstabiel gemaak en die veiligheid van padgebruikers en voetgangers in gevaar gestel.

Veiligheidsrelings word geïnstalleer om lewens te beskerm en die erns van ongelukke te beperk. Om die onmiddellike risiko uit te skakel, moes die Munisipaliteit die relings tydelik verwyder en beveilig. Ná die nodige herstelwerk en inspeksies is dit weer geïnstalleer en alle bevestigings deeglik nagegaan.

Hierdie voorval vorm deel van ’n groter probleem. Vandalisme van padtekens, straatligte, heinings, waterinfrastruktuur en veiligheidsrelings plaas ’n groeiende finansiële las op die Munisipaliteit. Fondse wat vir dienslewering, instandhouding en die verbetering van gemeenskapsfasiliteite gebruik kon word, moet eerder aan herstelwerk bestee word.

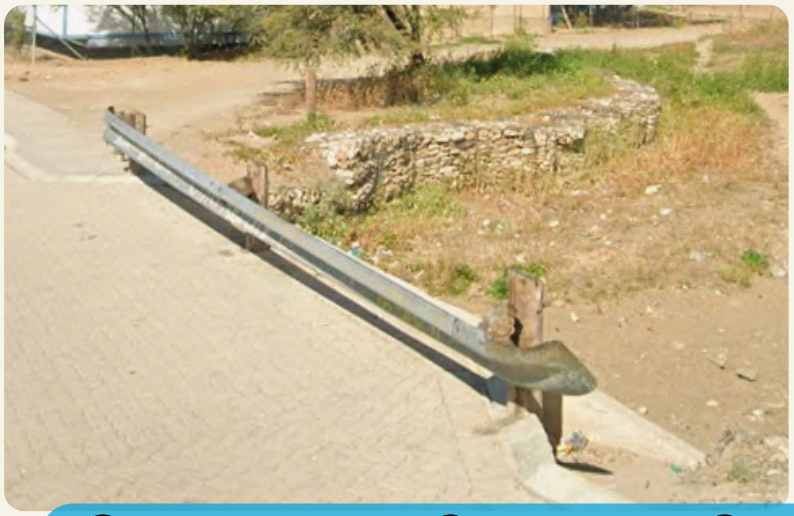

Ons doen daarom ’n ernstige beroep op inwoners om munisipale infrastruktuur te beskerm en enige verdagte optrede onmiddellik aan te meld.

Munisipale infrastruktuur behoort aan die gemeenskap. Wanneer dit beskadig word, ly ons almal daaronder.

SAAM KAN ONS VANDALISME BEKAMP EN ONS GEMEENSKAP BESKERM

Gratis Aanlynleer vir Ons Gemeenskap

Prins Albert Munisipaliteit moedig inwoners van ***Prins Albert, Leeu-Gamka, Klaarstroom en omliggende areas*** aan om gebruik te maak van die gratis **Entrepreneurship Academy** aanlynleerplatform. Die platform bied honderde praktiese kursusse wat daarop gemik is om persoonlike groei, werksplekvaardighede,
entrepreneurskap, landbou, ouerskap, persoonlike finansies en ander alledaagse leerbehoeftes te ondersteun.

Die platform is **24/7 aanlyn beskikbaar** en kan deur personeel, inwoners, families en vriende gebruik word. Gebruikers ontvang ook 'n sertifikaat van voltooiing vir elke kursus wat hulle voltooi, wat dit 'n waardevolle geleentheid maak om gratis vaardighede te ontwikkel.

Project Updates

Meiringspoort Repairs Progressing

According to Western Cape Minister of Infrastructure Tertuis Simmers, on the 15th of October, good progress is being made on the R486 million emergency flood-damage repair project along the N12 through Meiringspoort.

Minister Simmers indicated that temporary bypasses are expected to allow single-lane traffic access in early December 2026, while the full project is scheduled for completion by the end of October 2028.

Prince Albert

Following years of planning, the busy section of **Odendaal Street** in front of SPAR has been paved. The municipal technical team is working with the contractor to address the remaining snag-list items. We are grateful for the progress made on this long-awaited project.

Project Updates

Klaarstroom

Good progress is being made with the upgrade of the **Klaarstroom Water Treatment Works**. The foundation for the new laboratory and office has been laid, marking an important step in the project.

Once completed, these facilities will support improved water-quality monitoring and the effective management of the treatment works.

Prince Albert

After several years of planning and two financial years, the upgrade of the **Odendaal Sports Field** has been completed, providing the community with an improved facility for future sporting activities. The field now has new grass and an irrigation system, with water supplied from a borehole to a reservoir before being pumped to the field.

The project was funded entirely from Prince Albert Municipality's own funds. Appreciation is extended to the workers, contractor and municipal officials who contributed from the initial site inspections through to completion.

The new grass must be given sufficient time to establish. The field will therefore remain closed to clubs for at least six months. The community is thanked for its patience and encouraged to help protect this valuable asset so that it can serve local clubs and young people for many years.

External Bursary Programme 2027

PRINCE ALBERT MUNICIPALITY

EXTERNAL MUNICIPAL BURSARY PROGRAMME

Applications are hereby invited from students that are registered at tertiary institutions for financial support towards further studies in the 2027 academic year. Applicants must reside within the Prince Albert Municipal Area.

The aim of this programme is to support students who are performing academically, have a real interest in uplifting and changing the community for the better and who shows the potential but do not have the financial means to study towards a degree. Students from historically disadvantaged groups and individuals with disabilities are encouraged to apply.

Conditions of Bursary

- Bursaries will be allocated towards the funding of academic programme (registered subjects only).
- Bursary will be for a period of one (1) year.
- Bursary will be paid directly into the Bank Account of the academic institution.
- Students applying for a second bursary must submit academic results of previous year with the application.

The fields of study: Finance • Accounting • Supply Chain Management • Internal Audit • Risk Management, Civil Engineering, Electrical Engineering, Town Planning, Building Infrastructure, Law, Public Administration and other fields identified by the Municipality within the ambit of financial management and financial governance.

Interested applicants who meet the abovementioned criteria should apply using the prescribed application form obtainable from the HR Department (during normal office hours), as well as from our website www.pamun.gov.za. For any enquiries contact Mrs. Arrelene Visagie tel 023 541 1036 / 014 or email arrelene@pamun.gov.za during office hours.

Certified copies of the following documentation must be attached:

- A comprehensive Curriculum Vitae
- Proof of qualification/latest examination results
- Proof of registration at accredited tertiary institution with outstanding balance owed by student for 2027 Academic Year 2027:
- Bank Account Details of accredited tertiary institution.
- Certified copy of Identity Document (not older than 3 months)
- Proof of residential address (municipal account)
- Proof of salary statements of both parents/guardians
- If disabled, a letter from a medical doctor confirming permanent disability

Only correct and fully completed application forms will be considered. Completed applications must be forwarded to Prince Albert Municipality, Human Resources, Private Bag X53, Prince Albert, 6930

Please Note: All successful applicants will be required to enter into contractual agreements with the Municipality. Canvassing will result in automatic disqualification. If you have not been contacted within 30 working days after the closing date of this advertisement, you may assume that your application was unsuccessful. Supporting documentation will not be returned. Council reserves the right not to make any financial contribution. **No applications sent via email or faxed will be considered.**

Closing date: 22 January 2027

28/10/2026.

COMMUNITY NOTICE

INTEGRATED DEVELOPMENT PLANNING

HAVE YOUR SAY: CONTRIBUTE TO THE SIXTH GENERATION IDP

Prince Albert Municipality invites all residents, community organisations, businesses and other interested stakeholders to submit their needs, concerns and development priorities for consideration in the preparation of the Sixth-Generation Integrated Development Plan (IDP) for the 2027–2032 period.

The IDP is an important planning instrument that guides the municipality's development priorities, service delivery objectives and allocation of available resources over a five-year period. Community participation is therefore essential to ensure that the municipality's plans respond to the actual needs of residents in the greater Municipal Area.

Residents are encouraged to identify local challenges, propose practical solutions and highlight their most urgent development needs. Submissions should, where possible, specify the affected area, describe the proposed intervention and explain how it would benefit the community. All inputs will help inform future municipal planning and priorities, subject to available resources, funding and applicable planning processes.

All submissions must reach the municipality by **Friday, 26 February 2027**. Inputs may be submitted through any of the following channels:

- **Email:** adminklerk@pamun.gov.za
- **By post:** The Director: Corporate and Community Services, 1 Adderley Street, Prince Albert, 6930.
- **In person:** Submissions may also be delivered to the local municipal offices in Prince Albert, Klaarstroom and Leeu-Gamka.

Prince Albert Municipality encourages every community member to participate and help shape the future of our municipal area. Your voice can make a difference.

GEMEENSKAPSKENNISGEWING

GEÏNTEGREERDE ONTWIKKELINGSBEPLANNING

LAAT JOU STEM HOOR: LEWER INSETTE VIR DIE SESDE GENERASIE GOP

Die Prins Albert Munisipaliteit nooi alle inwoners, gemeenskapsorganisasies, besighede en ander belanghebbendes om hul behoeftes, bekommernisse en ontwikkelingsprioriteite in te dien vir oorweging tydens die voorbereiding van die Sesde Generasie Geïntegreerde Ontwikkelingsplan (GOP) vir die tydperk 2027–2032.

Die GOP is 'n belangrike beplanningsinstrument wat die munisipaliteit se ontwikkelingsprioriteite, diensleweringsdoelwitte en die toewysing van beskikbare hulpbronne oor 'n tydperk van vyf jaar rig. Gemeenskapsdeelname is daarom noodsaaklik om te verseker dat die munisipaliteit se planne die werklike behoeftes van inwoners in breë Munisipale Area weerspieël.

Inwoners word aangemoedig om plaaslike uitdagings te identifiseer, praktiese oplossings voor te stel en hul dringendste ontwikkelingsbehoeftes uit te lig. Voorleggings moet, waar moontlik, die betrokke gebied aandui, die voorgestelde ingryping beskryf en verduidelik hoe dit die gemeenskap sal bevoordeel. Alle insette sal toekomstige munisipale beplanning en prioriteite help rig, onderhewig aan beskikbare hulpbronne, befondsing en toepaslike beplanningsprosesse.

Alle voorleggings moet die munisipaliteit **teen Vrydag, 26 Februarie 2027** bereik. Insette kan op enige van die volgende maniere ingedien word:

- **E-pos:** adminklerk@pamun.gov.za
- **Per pos:** Die Direkteur: Korporatiewe en Gemeenskapsdienste, Adderleystraat 1, Prins Albert, 6930.
- **Persoonlik:** Voorleggings kan ook by die plaaslike munisipale kantore in Prins Albert, Klaarstroom en Leeu-Gamka ingedien word.

Die Prins Albert Munisipaliteit moedig elke gemeenskapslid aan om deel te neem en te help om die toekoms van ons munisipale gebied te vorm. U stem maak 'n verskil!
